

The mission of the MBA Equity, Diversity & Inclusion Committee is to foster and expand diversity, inclusion and equality in the Multnomah County legal community and to create and strengthen a relationship of mutual support between the MBA and its diverse lawyers and bar organizations. In furtherance of this goal, the Committee is awarding scholarships for law school applicants who will enhance the diversity of our legal community. The scholarships will be applied toward an online PowerScore LSAT preparation course.

This scholarship is open to any person who intends to apply to law school and ultimately practice law in the state of Oregon. Preference will be given to those who either (a) are currently attending college in the state of Oregon or in Vancouver, Washington or (b) have substantial ties to the state of Oregon and (c) who demonstrate a commitment and capacity to foster and expand diversity and inclusion in the Oregon legal community.

Applicants should apply for this scholarship only if they can commit to completing a rigorous LSAT preparation course. Classes offered through PowerScore are a combination of live on-line and on-demand. For details about the course, applicants should visit the PowerScore website: <https://www.powerscore.com/lsat/courses/>

The scholarship committee will consider applications on an ongoing basis. However, applicants should submit the application by Monday, March 18, 2024, to ensure consideration. Applicants should email their completed application to **mbalsat@mbabar.org** or send it by regular mail to:
