

Make a Difference in the Courts and the Community With a Year-End Donation to the MBF

The Multnomah Bar Foundation has three dedicated programs: **CourtConnect** promotes civic education and understanding of the law by pairing judges and attorneys to visit community and youth groups to speak about the judiciary and the rule of law. **CourtSupport** and **Multnomah CourtCare** increase access to justice and improve the quality and administration of the legal system by assisting the public navigating court services, and providing free drop-in childcare in the Central Courthouse.

Please consider a tax-deductible charitable donation to continue this vital work and fund future projects that support the court and benefit the community.

YES! I want to support the Multnomah Bar Foundation. Please use my donation to help the MBF fulfill its mission to promote civic education, increase public participation and respect for the law, and improve the quality and administration of the legal system.
