Screening and Selection Criteria

- Any MBA practicing attorney member, except a member of the MBA Professionalism Committee or the MBA Board of Directors, is eligible to receive this award. Former nominees may be re-nominated. Members of the MBA Professionalism Award Screening Sub-committee may not submit nominations, but may encourage others to submit nominations.
- The recipient should exemplify, not simply meet, the standards in the MBA Professionalism Statement:
 - Professionalism goes beyond the observance of the legal profession's ethical rules and serves the best interests of clients and the public in general; it fosters respect and trust among lawyers and between lawyers and the public, promotes the efficient resolution of disputes, and makes the practice of law more enjoyable and satisfying.
- The award is intended to recognize and honor personal and professional qualities, reputation and conduct. Leadership activities/service, while probative of professionalism, are not considered key in the screening and selection process.
- Pro bono service will be considered in the screening process.
- The recipient should be a role model for other attorneys, particularly younger MBA members.
- Because the award recipient should serve as a role model, an appreciation of diversity in the nomination and selection processes is important. The MBA recognizes the important contributions of all lawyers - men and women, minorities, those in public/government practice, in-house or private practice, solo or large firm practitioners, trial lawyers and non-litigators.

To nominate an individual for the award, please complete and return this form. You may be contacted, confidentially, for more information on your nominee. Nominations must be received by 5 p.m. Friday, October 30, by the MBA Professionalism Committee, 620 SW 5th Ave., Suite 1220, Portland, OR 97204 or kathy@mbabar.org.
