

## Registering an Athlete for OISRA School (Team/Club) Participation

Any athlete wishing to compete for an OISRA School Alpine Ski Team/Club must register. In addition you will need to sign up with your Schools Head Coach, usually during an enrollment period or Team/Club meeting at your school. Each School will have a Head Parent Representative that will most likely assist with this process. In addition to OISRA registration fees, you will have fees associated with your League and usually school team or club participation and coaching fees.

Any Parent or Guardian may register their Student Athlete. The athlete needs to be present during the registration to review and acknowledge waivers and rules.

Registration will take approximately 15-20 minutes.

Registration fees are \$55, you must register by December 7th. Please be prepared with Credit Card upon completion of the online ACTIVE system registration.

Volunteer Waivers – Any adult registering their athlete will complete a Volunteer Waiver during this registration. You do not need to register separately as a volunteer. If you wish to register an additional adult(s) volunteer such as a spouse, please go to the Volunteer Link at the Online Registration OISRA website.
