Business Spotlight

Who: Give Me Some Sugar

Where: 229 S. 6th St., Suite B, Klamath Falls, OR 97601

Why: The why is simple because these are genuine people producing some fantastic eats! They represent everything I like about Klamath Falls and their support of Veterans is to be admired. They were presented with a Certificate of Appreciation printed on handmade paper and a Veterans Program challenge coin to recognize all that they do for the Veteran community. If you are in or near Klamath Falls, set a course for Give Me Some Sugar and treat yourself to the atmosphere and baked goods.

HIRE Vets Medallion

Have you ever wondered how to hire more Veterans? The HIRE Vets Medallion hiring initiative is the only federal level program that officially recognizes businesses and organizations for their commitment to recruiting, hiring and retaining Veteran employees. The medallion, which may be Gold or Platinum, is used by small, medium, and large businesses and organizations to attract transitioning Service Members and Veterans to their organization.

The medallion will allow you to market your business and employment opportunities to Service Members, Veterans and Spouses worldwide.

Build Your Veterans Program / Mentors

To attract more Veterans, Spouses and other Covered Persons to your organization, consider starting a mentorship program. Existing Veteran employees can support new-hire Veterans by playing a role in the on-boarding process. For some Transitioning Service Members, knowing that a peer with experience is there to answer questions and provide career guidance can mean the most when searching for a comfortable work environment.
