Business and Occupational Spotlight

Who: KRAH USA, LLC

What: Extrusion Production Assistant (EPA) / Job Listing 3114285

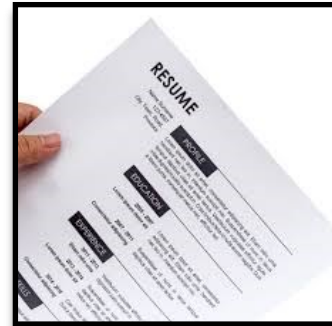

KRAH USA in Prineville has a great opportunity available now! The EPA position is a good choice for anyone who enjoys a technical challenge, using hand tools and making innovative products for the construction industry. Two plus years of industrial manufacturing experience is required and the duties range from reading schematics and blueprints, preparing raw material, and scheduling to working as a team and improving workflow. The job pays well too, \$20 to \$24 DOE to start. For more information please view [Job Listing # 3114285](#)

Joe Milazzo (left), Business Team Representative and Paul Messett (right), Veterans Employment Representative visit the KRAH manufacturing facility.

Employment Readiness

PRO TIP: Build a complete Workers Occupational Readiness Kit (WORK) to store all employment related documents. This kit may include a cover letter outline, editable resume formats, master work history, military education and training records, Work Opportunity Tax Credit (WOTC) voucher, and DD214. Other documents may be included. A complete WORK will allow you to act on any employment opportunity quickly and with accuracy. The Jobs for Veterans' State Grant (JVSG) is 100% federally funded through the U.S. department of Labor, Veterans' Employment and Training Service (USDOL-VETS). This grant is part of an award grant totaling \$2,429,678 with 0% financed from non-government sources.

The JVSG provides federal funding for individualized career and training-related services to Veterans and eligible persons with significant barriers to employment. The grant also provides funding to conduct outreach to the business community and engage in advocacy efforts to increase employment opportunities to Veterans.
