## Transition Assistance Program (TAP)

The TAP eLearning program is designed to deliver valuable employment related information to transitioning Service Members that are not able to attend class in person. The eLearning program is available to all transitioning Service Members, Veterans, and Spouses through the DoD Transition Online Learning (TOL) system.

Please visit the [Transition Assistance Program \(TAP\)](#) for more information.

## Employment Opportunity Spotlight

**What: Welder**

[Job Listing #3649489](#)

The job duties are straight forward and include welding, grinding, metal sawing and forming, operating a crane, lifting 90lbs regularly, and standing for eight to ten hours a day.

Preferences:

- Welding skills are a plus but not required at the time of employment
- High school diploma or educational equivalent

## Employment Readiness / Interviews

Tactical Career Planning Episode 12 takes the direct approach and reviews a variety of interview possibilities. Interviews are a lot like going to a promotion board, it takes practice to do well. Consider a few of the tips provided to do your very best!

For more information, please watch ***Tactical Career Planning Episode 12 "Interviews: In-person, Panel, and Virtual"*** here:

[TCP11] outlines interview dress codes and general, recommended personal hygiene practices.

The Jobs for Veterans' State Grant (JVSG) is 100% federally funded through the U.S. Department of Labor, Veterans' Employment and Training Service (USDOL-VETS). This grant is part of an award grant totaling \$2,429,678 with 0% financed from non-government sources.

The JVSG provides federal funding for individualized career and training-related services to Veterans and eligible persons with significant barriers to employment. The grant also provides funding to conduct outreach to the business community and engage in advocacy efforts to increase employment opportunities to Veterans.
