Know your employment rights!

The Uniformed Services Employment and Reemployment Rights Act (USERRA) protects those experiencing service connected problems with their civilian employment. USERRA applies to members of the Armed forces, Reserves, National Guard, and other "Uniformed Services". The law ensures that Service members are not disadvantaged in their civilian careers because of their Military service, are promptly re-employed in their civilian jobs upon return from duty, and are not discriminated against by employers because of past, present or future Military service.

Please visit the USDOL-VETS USERRA webpage for more information: <https://www.dol.gov/agencies/vets/programs/userra>
