The Military Women's Memorial

"The Military Women's Memorial is a one-of-a-kind tribute to America's Servicewomen, past and present. The Memorial features an education center, interactive exhibits, and a world-class collection of Military Women's stories." - The Women's Military Memorial website

I had the opportunity to visit the Memorial while on a recent trip to Washington D.C. and was impacted by the words, images, and sacrifice of our Women Veterans. The memorial is located at the entrance of the Arlington National Cemetery.

I encourage all Women Veterans of the US Military to access the website to share their story.

Please visit <https://womensmemorial.org/>

Employment Opportunity Spotlight

What: Automotive Technician

Job Listing #3776695

A well established, independently owned, light truck repair facility in Bend, OR for past 27 years, is seeking an automotive technician to join their team. They are a full-service repair facility and work on domestic light truck primarily along with Asian import. They serve a broad, long-standing client base. They want our customers to be handled with the utmost respect, courtesy, and professionalism.

Qualifications:

- Light diesel truck repair experience preferred but not necessary.
- Must possess own tools...shop will provide specialty tools.
- Contact Andrew.b.tyler@employ.oregon.gov for more information

Employment Readiness / Ask for the Job!

The Jobs for Veterans' State Grant (JVSG) is 100% federally funded through the U.S. Department of Labor, Veterans' Employment and Training Service (USDOL-VETS). This grant is part of an award grant totaling \$2,429,678 with 0% financed from non-government sources.

The JVSG provides federal funding for individualized career and training-related services to Veterans and eligible persons with significant barriers to employment. The grant also provides funding to conduct outreach to the business community and engage in advocacy efforts to increase employment opportunities to Veterans.
